

Operation Grind-Force

Our special operations crew, Team Grind-Force, is on a mission. Their task? To help you grind the best you can.

THE PERFORMER

THE SPECIALIST

THE ALL-ROUNDER

Meet the team

CERABOND X, our flagship grinding wheel, is the perfect performer for heavy-duty applications.

Z-MAX is the specialist in the pack, specifically designed for grinding steel.

FASTCUT is the all-rounder in the team and can be used for many applications.

Operation: Grind-Force

Team Grind-Force	Product characteristics	Benefits for dealer	Benefits for enduser
Cerabond X - The Performer	<ul style="list-style-type: none"> + Fastest grinding + Stays sharp + Extra-long lifetime 	<ul style="list-style-type: none"> + Best performing grinding wheel for steel and stainless steel + Better than Quantum 3 and Cubitron II 	<ul style="list-style-type: none"> + Less wheel changes thanks to long lifetime + Good grinding comfort
Z-Max - The Specialist	<ul style="list-style-type: none"> + Very good lifetime + High aggressiveness + Comfort start 	<ul style="list-style-type: none"> + Best performing grinding wheel for steel + Outperforms Pferd SG Elastic, Foundry X, Norton Omega 	<ul style="list-style-type: none"> + High productivity on steel + Fast grinding + Smooth grinding from the start
Fastcut - The All-rounder	<ul style="list-style-type: none"> + Good aggressiveness + Soft specification + Comfort start 	<ul style="list-style-type: none"> + Much desired product: can be used for many applications 	<ul style="list-style-type: none"> + Easy grinding + No high pressure needed + Perfect for various applications
